# A Police Horse Named Buster

Buster raced through a crowded city.

He was chasing a thief.

The police officer riding Buster used **reins** to guide him.

Within minutes, Buster reached the thief and the officer **arrested** him.

police horse**

# Tight Squeeze

Police horses such as Buster help officers do their job in many ways.

Unlike a car, a horse can move quickly through crowded streets.

It can also race through tight spaces a **criminal** might use to escape.

An alley too narrow for a police car is no problem for a horse.
