Meet a Service Dog

I'm a service dog.

My owner is deaf.

I let her know about
sounds she can't hear.

Handler

A person who
owns a service dog
is called a handler.

Service dogs let handlers know when alarm clocks go off. How?

We nudge handlers with our paws.

A service dog can let its deaf handler know when the doorbell rings. The dog nudges the handler. Then it runs to the door.
