# Finding Patterns at the Seashore

Patterns can be shapes, colors, or sizes that repeat.

You can see patterns at the seashore.

A row of sand castles makes a pattern.

Fish swimming in the  
sea make a pattern.

Big, small.

The pattern repeats.

# Patterns at the **SEASHORE**

Stripes on a beach chair make a colorful pattern. Fish swimming in the sea make a pattern of big and small shapes. Pelicans facing different directions on a dock also form a pattern. There are lots of patterns to see at the sandy seashore!

Look inside to learn all about different shapes, colors, and sizes that can make up patterns at the seashore.
