The background image is a detailed illustration of a library. It features tall, dark wooden bookshelves filled with books. On one of the lower shelves on the left, a human skull is visible. In the foreground, there is a wooden desk with an open book and several closed books. The lighting is dim and blue-toned, creating a spooky atmosphere. A parchment banner with the title 'SPOOKY LIBRARIES' is at the top.

SPOOKY LIBRARIES

An empty library can be an eerie place. As you slip between the towering shelves, you walk through a **cold spot** and begin to shiver. That's when you hear the sound of chains being dragged along the floor. You stand frozen in fear. What unearthly being is making that noise?

Get ready to read four
frightening tales about spooky
libraries. Turn the page . . .
if you have the nerve!

THE DANCING GHOST

Millicent Library, Fairhaven, Massachusetts

There are many reasons why the Millicent Library is thought to be haunted. Some of them are innocent, while others are chilling.

In 1890, Henry Huttleston Rogers built a stunning library to honor his daughter Millicent. She had died of **heart failure** at just 17 years old.

Millicent
Library

It's said that Millicent's ghost haunts the library. Some people who have seen her **spirit** say that a blue, glowing light surrounds it. Library visitors sometimes spot Millicent dancing in the **aisles**.
