Teaching Tips

Before Reading

- Discuss the different seasons. What happens in fall?
- Look through the glossary together. Read and discuss the words.
- Go on a picture walk, looking through the pictures to discuss vocabulary and make predictions about the text.

During Reading

- Encourage readers to point to each word as it is read. Stop occasionally to ask readers to point to a specific word in the text.
- If a reader encounters an unknown word, ask them to look at the rest of the page. Are there any clues to help them understand?

After Reading

- Check for understanding.
 - ▶ What kind of trees grow apples?
 - ▶ What treats can you make with apples? What kinds of apples might you use for each treat?
- Ask the readers to think deeper.
 - ▶ Look at page 22. Do you think you could grow an apple tree at your home? Why or why not?

Picking Apples

It is time for fall fun!

Today, we are going
apple picking.

I am going to pick lots
of apples!

We go to a big farm.

It has lots of
apple trees.

The trees are planted
in long rows.
