ALL ABOUT POO

You do it. Your teacher does it. Even the worms in the ground do it. Everybody poos! But have you ever seen poo and wondered who did it?

On the next pages, you will see poo found on the savanna. Learn about the poo, and then choose which of the three animals you think made the mess!

STAY AWAY SPRAY

What's that lumpy cloud in the water? Is it ... poo?

Whose poo could this be? Choose which of these three animals you think did this.

If we found the poo in and near the water, this animal probably lives nearby.

The poo has bits of grass in it.
