ALL ABOUT POO

What's that smell? Did you step in something? Oh no! It's poo! But who made it? Let's look around the jungle and find out.

A BIG SPLAT

Wow—look at this watery poo! Whose poo could it be?

This poo has splattered.
The animal must have pooed from high up.

This poo looks like a liquid.
This animal probably
doesn't eat solid food.

Splash!
