Words shown in **bold** in the text are explained in the glossary.

# A New Baby in the Forest

Forest

Among the trees in a forest, there lives a baby animal.

The baby has enormous ears and a coat of soft brown hair.

**Who does this little baby belong to?**

Mother  
moose

Newborn  
calf

The baby, or calf, belongs to a mother moose.

The little calf was born on a sunny spring morning.

His mother gently licked him clean.

By the afternoon, the calf was able to stand.

# Glossary

**antlers** (ANT-lurz)  
Large, branchlike body parts made from bone that grow from a deer's head.

**mate** (MATE)  
To get together to have babies.

**predator** (PRED-uh-tur)  
An animal that hunts and eats other animals.

# Enormous Ears and Soft Brown Hair

**Whose Little?  
Baby Are You?**

On a sunny spring morning in a forest, a little baby has just been born. His mother gently licks him clean. Soon, he is trying to stand up on his thin, wobbly legs.

Who does this little baby belong to?
