A top-down view of a white ceramic bowl with a brown rim, filled with fresh, ripe strawberries. The strawberries are bright red with visible seeds and green leafy tops. The bowl is set against a rustic, weathered wooden background.

Strawberry

Strawberries are
yummy!

They are red,
sweet, and juicy!

How did they
get that way?

Strawberries are
one of the most
popular fruits!

Strawberry plants begin
as tiny seeds.

A strawberry
seed is as
small as a flea!

After a seed is planted,
it begins to grow.

strawberry
seed

leaves

roots

First, it sends roots
down into the **soil**.

Then, green leaves
start to appear.
