WRETCHED WASHINGTON

A trip to Washington, DC, is like a walk through history. But after feeling cold chills and hearing ghostly voices, you may wonder: *Is some of the history still alive?*

Get ready to read four scary stories about **wretched** Washington. Turn the page . . . if you dare!

BEWARE OF GEORGE!

The Old Stone House

One of the oldest buildings in our nation's **capital** is a small stone house. It was built over 250 years ago.

Yet the Old Stone House is more than a piece of the past. It's also said to be home to many **spirits**! One of them is a **savage** ghost named George.
