# Banana

Bananas are long, with a tough, yellow peel.

Inside, they are soft and sweet.  
How did they get that way?

Bananas are  
a popular  
breakfast food!

Banana plants grow in warm, sunny places.

They look like trees, but they are **herbs**.

In fact, they're the largest herbs in the world!

A banana plant can  
grow up to 25 feet  
(7.6 m) tall.
