Ship Trip

Let's rhyme!

This is **Chip**.

Chip is on a ship.

A photograph of a person's legs in blue jeans standing on a wooden deck. To the left is a glass door or window. Long shadows are cast across the deck planks. The text "He tries to skip." is overlaid in the center.

He tries to **skip**.

Teaching Tips

Before Reading

- ✓ Introduce rhyming words and the **-ip** word family to readers.
- ✓ Guide readers on a “picture walk” through the text by asking them to name the things shown.
- ✓ Discuss book structure by showing children where text will appear consistently on pages. Highlight the supportive pattern of the book.

During Reading

- ✓ Encourage readers to “read with your finger” and point to each word as it is read. Stop periodically to ask children to point to a specific word in the text.
- ✓ Reading strategies: When encountering unknown words, prompt readers with encouraging cues such as:
 - **Does that word look like a word you already know?**
 - **Does it rhyme with another word you have already read?**

After Reading

- ✓ Write the key words on index cards.
 - **Have readers match them to pictures in the book.**
- ✓ Ask readers to identify their favorite page in the book. Have them read that page aloud.
- ✓ Choose an **-ip** word. Ask children to pick a word that rhymes with it.
- ✓ Ask children to create their own rhymes using **-ip** words. Encourage them to use the same pattern found in the book.
